# Locals have bright hopes in cup

IMPRESSIVE Sunraysia pacers Cosmic Legacy and L A Operator will carry the hopes of a local cup victory when they line-up in the heats of the Park Douglas Printing Mildura Pacing Cup at the City Oval Paceway tonight.

L A Operator created a big impression with seven wins from only 12 outings last season and he proved with his gallant second in the Horsham Cup behind the in-form pacer Safari in extreme heat that he is up to competing in the Country Cup class events.

L A Operator raced below his best at his next two outings in the Ouyen Cup and at Moonee Valley and he was then sent to the paddock for a short spell by Mildura trainer Greg Cramp.

"The heat on Horsham Cup day got to him and he never had time to get over it. He has had a good freshen up and he is ready to go and the weather is a lot better for him now," Cramp said.

L A Operator will be fresh for the Mildura Pacing Cup series as he is resuming from a spell in the opening heat tonight and Cramp believes he is fit enough to run a big race.

"I am a lot happier with him now as he has handled a lot more work

and he should be fit enough and he's ready for the cup," he said.

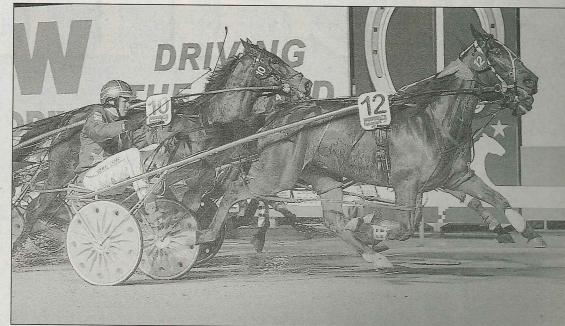

Cosmic Legacy has amassed a big local following courtesy of his tough racing style and he will be a leading hope in the second heat of the Mildura Pacing Cup.

Cosmic Legacy is a fast beginner and he has the draw to lead from start to finish from the coveted barrier one position

The Brian Sylvia trained and driven pacer is the current track record holder at the Mildura circuit and he will go close to recording his ninth win at the track this season which would give his big band of supporters plenty to cheer about in the \$50,000 Cup Final on Saturday night.

The Mildura Harness Racing Club has framed a top eight-event program for its opening meeting of the carnival which will commence at 6.32pm.

The cup heats have brought together an even line-up of smart pacers as there are up and coming horses competing for the cup and although there will be no Sokyola as a drawcard this year it will provide for good betting turnover as there are many winning chances in the heats tonight.

 L A Operator (outside) with local reinsman Shayne Cramp in the sulky record a fast finishing victory at Moonee Valley. The classy local pacer will be a top chance of qualifying for the Mildura Pacing Cup Final when he tackles the opening heat at the City Oval Paceway tonight.

## Justice aims for fourth successive cup win

MELTON trainer Lance Justice will be aiming to record his fourth successive Park Douglas Printing Mildura Pacing Cup as he will line-up the talented pacers Sayonara and Massarua in the heats of the cup at the City Oval Paceway tonight.

Justice has won the past three Mildura Pacing Cups with Sokyola, but his champion will not be defending his title this year as he is due to return to Victoria today after competing in the Inter Dominion Championship which concluded in Hobart on Sunday.

Justice will still be strongly represented again this year as both Sayonara and Massarua are racing in top form and they have the ability to win the Mildura Pacing Cup.

Sayonara has recorded 18 wins from 85 outings including six victories at Moonee Valley for earnings of \$124,711 and he will be a leading contender in the second heat of the Mildura Pacing Cup.

The seven-year-old was given a short spell after finishing down the track in the Horsham Cup and he resumed with a close up fourth in the Gunbower Pacing Cup after having to contend with a big challenge of a 30 metre handicap.

"I didn't expect him to get a 30 metre handicap for the race and I probably should have taken him

out, but I have had him set for the Mildura Cup and he needed to get a couple of runs under his belt to have him ready for Mildura," Justice said.

Sayonara proved he is ready for the cup after finishing second behind the in-form Maggies Son in a 1:59.6 mile rate at Ballarat on March 25 after he made a three-wide move early in the race to take up the front running.

Sayonara was responsible for the last half mile being run in a sizzling 57.6 seconds and he battled on strongly in the home straight to be beaten in a photo finish.

"He's been going really good, he's a much stronger horse this campaign and has shown that he doesn't have to lead as he can also sit outside them and run a big race," Justice said.

The stablemate Massarua has only been in the care of Justice since late last year, but he has been in cup winning form for the stable this season after an impressive win in the Wedderburn Cup.

.Massarua has achieved 23 wins so far during his career and he is ready to tackle the opening cup heat after a fast finishing third at Ballarat in the same race at Ballarat won by Maggies Son.

Massarua won a heat of the Mildura Pacing Cup back in 2004 and Justice will be hoping for the same scenario again tonight.

 Sayonara with trainer-driver Lance Justice record a comfortable win at Moonee Valley. The talented pacer will be a leading hope in the second heat of the Mildura Pacing Cup tonight.

 Massarua records a smart win in a heat of the Claiming Masters at Moonee Valley this season. The pacer will give trainer Lance Justice the opportunity of recording his fourth successive Mildura Pacing Cup win.

## Local trainer has double the chance of a feature race wi

• Talented local pacer Charlie Magee (No.6) with Shayne Cramp in the sulky record a smart win at the Mildura circuit. The combination looks well suited in the Mark Gurry and Associates Cup heat to be held at the City Oval Paceway tonight.

 South Australian pacer Mythical Beast (centre) with Greg Norman in the sulky records the biggest win of his career at Moonee Valley last season. The SA visitor will be a leading hope in the Mark Gurry and Associates Cup Championship.

Campbell will be a major player in the Mark Gurry and Associates Cup as he will contest the heats of the series with the speedy pacers Charlie Magee and Artful Dodger at the Mildura Harness Racing meeting tonight.

five-year-old Charlie Magee looks well suited to the championship as he has had six runs back from a spell and he is nearing another win as he has been competing in strong free-forall class races this preparation.

Charlie Magee endured a tough run when sixth behind Prince Bonton in an M0 class race at Shepparton on March 18 which was followed up with third and fourth placings behind the top class local pacer Cosmic Legacy, who is a big hope of winning the Pacing Cup.

"He was disappointing at Shepparton, but I reckon he is not mature enough to handle the travelling," Ian Campbell said.

Campbell believes Charlie Magee will be a big chance of making it through to the \$15,000 final to be run at Mildura on Saturday night.

"It will be a massive drop back in class for him as the free-for-all races in Mildura are the best in the state. He was aimed at the Mildura Pacing Cup for a while, but I am glad to keep him for the C4 to C8 series as he is not ready to contest the cup just yet," Campbell said.

Charlie Magee has a top record of eight wins and seven placings from 27 outings for earnings of \$33,130 and Campbell believes the horse should continue to improve with maturity.

"He has come back from his spell a bigger and stronger horse, but he is still a big kid. The horse has been racing really well against C7 to M3 class horses here in Mildura and they have gone two minutes each time so he will appreciate the class of the series," he said.

Campbell is also well represented in the opening heat of the championship with Artful Dodger, who has now had three runs back from a spell after falling in a race at Mildura on November 15 when he was set to record a resounding victory. Artful Dodger was racing in the best form of his career before

the mishap and he should be ready to improve on his recent form as he has been competing against quality opposition also in Country Ways and Cosmic Legacy.

"He is an old horse that had a fair bit of time out to get over his fall and he needs a bit of racing to get his confidence back. (Reinsman) Nathan (Jack) said he felt really good and strong at the end of his race last time and he is ready to run a race again," Campbell said.

Artful Dodger has recorded 10 wins from 54 outings and he will also enjoy a big drop back in class on recent outings and he will figure prominently in the finish if he can overcome his wide draw in barrier six with leading freelance reinsman Daryl Douglas taking the reins tonight.

The South Australian pacer Mythical Beast is the only metropolitan winner contesting the championship which must rate him a big show in the event.

Mythical Beast is a consistent pacer with 15 wins and 27 placings from 68 outings and he will strip a lot fitter in his heat tonight after having one run back from a spell when fourth behind The Juggernaut at Globe Derby Park on March 25.

Mythical Beast has a liking for the Mildura circuit as he has recorded a win and two third placings from four outings in the district and he can continue the trend in the second heat of the championship tonight.

The talented John Justice trained Fibber Magee is the highest stake earner contesting the series with \$77,284 and he will be a leading contender as will be the Carisbrook pacer Knightsatthepark, who has drawn the pole in the first heat and is currently racing in the best form of his career.

The Mark Gurry and Associates Cup heats has attracted a strong list of northern region trained horses, which are also big hopes of winning the championship including Formulaone, who has won five of his past six outings and the in-form pacers Marlboro Park, Blazing Ambition, Phinemus and Maninky Flight.

# Impressive list of quality pacers to tackle the Mildura Pacing Cup

horse on the rise and he has earned his opportunity to compete against Group class horses when he contests the opening heat of the Park Douglas Printing Mildura Pacing Cup.

Toe Taper is only in his second season of racing, but the six-year-old has already achieved an impressive winning strike rate of 12 wins from only 17 outings for trainer Tracy Moule.

"He is a nice horse and has improved with each preparation. He has done a tremendous job as he went from a maiden to a metropolitan class horse in only eight weeks. I can't praise him enough as he has been great to me," Moule said.

Toe Taper won nine of his first 10 outings including the Woodstock Bourbon Stampede Final over 1130 metres at Moonee Valley last October and Moule is looking forward to seeing how her smart pacer measures up in the Mildura Pacing Cup.

"This event will be a stepping stone for him to take on the big boys next time as I expect him to get to the top class races," Moule said.

Toe Taper ventured to Sydney three starts back to record a comfortable four metre win over Mighty River at Harold Park, which was followed up with a narrow win at Shepparton over his rival again tonight in Blakey.

Toe Taper produced an eye catching performance at his latest outing at Ballarat when he made up a lot of ground in the home straight to finish fourth behind Maggies Son and Sayonara after the last half mile was run in a fast 57.6 seconds.

"He was very strong at the finish after they ran under two minutes and it was a super run," Moule said.

The son of Armbro Operative has drawn wide on the front line in barrier six, but Moule is still confident of a top run despite the poor draw.

'He has the speed to get across them and although it is a hard draw it is better than him drawing the second line," she said.

Toe Taper will have plenty of opposition in the heat from the impressive pacers Sequoiahs Spirit, Blakey, Redcourt, Robric Jonboy, Barclay Court and the smart local pacer L A Operator.

The Terang pacer Regal Dash will contest the second heat of the cup

second Country Cup for the season as he was successful in winning the 2006 Bendigo Pacing Cup on March

Regal Dash raced three-wide over the final lap before unleashing a powerful sprint to win the Bendigo Cup by a comfortable 4.5 metre margin over Redcourt and Winforu with young Greg Sugars in the sulky.

"He went very well in the Bendigo Cup and it was a big thrill for Greg and me to win a big race against a top class field," trainer Ross Sugars

Regal Dash endured a tough run at his latest outing in the Hamilton Cup when he made a forward move mid-race to sit outside the leader Redcourt before weakening to finish 10th when the favorite in the race.

"He probably didn't back up a week after his big win at Bendigo which was run in track record time. He has recovered well as I gave him a couple of weeks to get over his Hamilton Cup run and I am very happy with him at the moment," Sugars said.

Regal Dash has been a top horse for the Sugars stable since they moved from South Australia to set up base at Terang two years ago as he has recorded 10 wins and eight placings from 26 starts since transferring from the Andy Gath stable.

"He has been really good to us as he was our fast class flagship horse and there are more wins in him and he will be on the Country Cup trail again next season," Sugars said.

Sugars believes there is not a stand out for this year's cup as it has been in the past with Sokyola winning the past three Mildura Pacing Cups.

The club will be happy with the quality of the horses competing as there are 10 or 12 chances of winning the cup and the barrier draw will be vital as always," he said.

The other main chances in the second cup heat are the local star Cosmic Legacy, who will take plenty of running down from his perfect draw in barrier one along with the smart in-form pacers Sayonara, Dee Dees Dream, Jagged Account and Ally Luvzit.

The cup heats are races five and seven on the eight-event program which will be run at 8.30pm and 9.30pm respectively.

Toe Taper with Brian Gath in the sulky wins a heat of the Stampede at Moonee Valley in September last year. The up and coming pacer will be a leading hope in his heat of the Mildura Pacing Cup tonight.

• Regal Dash with young reinsman Greg Sugars in the sulky dash clear to win the 2006 Bendigo Pacing Cup. The duo will be out to try and grab more glory in this year's Park Douglas Printing Mildura Pacing Cup.

## Regular visitor back to contest cup again

 Robric Jonboy (centre) with regular reinsman Max Wishart in the sulky displays his winning style in the ANZ Cup at Moonee Valley. The seven-year-old will be making his third attempt to try and win the Park Douglas Printing Mildura Pacing Cup.

CLASSY pacer Robric Jonboy will know it is time to be ready to make the journey north as he will be competing at his fourth consecutive Mildura Pacing Cup Carnival tonight.

Robric Jonboy has raced well each year he has campaigned in Mildura including running second in a heat of the cup in 2004 and he filled the same position in his heat last year prior to running third behind Sokyola in the Cup Final.

Robric Jonboy will appreciate not having to contend with the Champion Victorian pacer Sokyola this year, but he will still find the 2006 Mildura Pacing Cup a tough assignment as it has attracted quality pacers again for the feature event of the year.

Trainer Rick Hasty enjoys making the trek from his Goornong stable for the week long carnival as he has a horse smart enough to contest the Country Cup circuit each season.

Robric Jonboy reached another milestone this season after a successful campaign in Hobart over the festive season as he took his earnings past \$200,000 with his last victory back on December 18 which was followed up with a smart fourth placing in

the \$120,000 Tasmanian Championship behind the subsequent Hunter Cup winner About To Rock.

The 2004 Bendigo and Cobram Cup winner was given a short rest by Hasty after a luckless seventh behind Blakey in the Yarra Valley Cup to have him fresh for this years Park Douglas Printing Mildura Pacing Cup.

Robric Jonboy will strip a lot fitter in the first heat of the cup after his first up seventh behind Maggies Son at Ballarat on March 25 when he was not far away from the action in a sub two minute mile rate.

The well bred pacer is the highest stake earner in the heat and although he is drawn the second row in barrier nine against the up and coming pacers Toe Taper, Sequoiahs Spirit, Barclay Court and L A Operator he should still be given a winning hope tonight as he has a good record in the heats of the Mildura Pacing Cup.

Freelance reinsman Max Wishart has had a tremendous association with Robric Jonboy as he has been behind the pacer in 24 of his 26 career wins and he will be hoping the winning combination can continue at Mildura during this week's Cup Carnival

## Mildura form comment

HARNESS Racing Victoria's race caller, Craig Rail will broadcast the harness racing action during the three meeting carnival. Craig gives his expert opinion of the form for the opening meeting of the Park Douglas Printing Mildura Pacing Cup Carnival at the City Oval Paceway tonight.

Race 1: ANVILS A CHRISTIAN (1) is a brilliant pacer, which has a great strike rate in Australia and will take catching from the inside draw. He parked without cover and went straight past the leader with 600m remaining when he scored brilliantly at Globe Derby two starts back. KURT RUSTLER (7) is drawn to receive every chance on the back of the leader. He trailed the leader and battled on fairly for 4th behind Walberon last outing but will appreciate this slightly easier grade so is a strong quinella chance. BUBALO (2) is a handy sit and sprint pacer for trainer Graeme Lang and hasn't been far away against stronger opposition at his past few outings. He is well drawn and should be finding the line strongly. The query runner of the event is the former New Zealand pacer CAMSPLACE MOCCKA (6), a winner at Invercargill in Nov and is making his Australian debut for trainer Glenn Douglas. He is poorly drawn but is worth following. KENNA MAC (4) is a brilliant beginner from the mobile and was able to circle the field and cross onto the markers by the first turn from the outside of the second line last week. She boxed on fairly for 3rd but is a minor place chance

Race 2: EL SCORCHO (1) is resuming since Aug but has good early speed and is perfectly drawn. He beat the handy pacer Mister Rhys at his only win at Nyah two starts back and only has to be somewhere near that form to be competitive here. He did win a recent Bendigo trial in a mile rate of 2.5.5 and recorded a 29.5 final quarter. MARCHIONESS MEG (2) is much better drawn than her most recent efforts and has run a few good races when she has been able to find the lead. She picked up some ground in the latter stages and ran a handy race last week so is worth thought from her front line draw. SANDI LOMBO (10) has mproved with every run under the care of trainer Greg Cramp and just failed to run down Jate Junior on this track last week. She is awkwardly drawn but looks one of the main chances here. ARATUSA LASS (8) is rising in class on her latest efforts but is undefeated from four Broken Hill runs this season and should have plenty of confidence coming into this event. JEMAS GLORY (3) ran a sharper race last outing and might fill a place. OUR THREE WISHES (7) and TENDERAMA (9) could

Race 3: COMPARE BIANCA (7) is making her debut for trainer David Vozlic and will find this assignment easier than her latest 9th at Terang when she led and faded in the final stages. She has been racing against horses like By The Sword and Illawong Handsome so looks much better placed here. PLATINIC (4) was unsuited by a slowly run race when unplaced last week but found the line nicely for 3rd on this track prior and is a definite each way chance. KELLYS CONQUEST (3) has been safely held in recent starts but does possess brilliant early pace and might give a bold showing if she is able to find the lead. MINDOVERMATTER (1) is resuming since Sept but was placed at Echuca when last in work and finished 3rd behind Ultimate Decision in a recent trial on this track. MARMALADE TIGER (10) is poorly drawn on the outside of the second line but is only lightly raced and should be improving with every run. STORM CREST (5) over-raced badly and ran a very quick first lap when a tiring 9th last outing He is capable of a better showing and HELL ON HIGHHEELS (6) is a minor place chance in the event

Race 4: KNIGHTSATTHEPARK (1) has been in outstanding form recently and is drawn to adopt his favourite role as pacemaker. He led throughout to win twice at Maryborough then was run down in fast sectional times last outing. He probably meets a stronger field but will be suited by racing in front on the Mildura circuit. FIBBER MAGEE (3) is dropping back in grade and is a very handy sit and sprint pacer. He led out, took a trail and battled into 3rd behind Miss Kellie last outing so must be considered as a winning chance here. MARLBORO PARK (8) enjoyed an easy run in front but looked very impressive when he dashed home his final 800m in a fast 57.9 to win here last week. He has won 8 of his 19 starts and looks to be a winning chance again. FLY ME TO THE MOON (2) settled at the tail of the field and couldn't work into the

race in fast sectional times last week. He raced three wide for the trip and finished a brave 4th prior so will be better suited from this ideal draw. FORMULAONE (5) has only been beaten once in six Mildura outings and is capable of running a good race despite drawing widely and rising in class. BLAZING AMBITION (4) and TRACK N TRACE (7) are both minor place hopes in the event.

Race 5: It is a terrific field for the first heat of the Mildura Pacing Cup with many winning chances. TOE TAPER (6) is poorly drawn but used the sprint lane to beat BLAKEY (8) at Shepparton then finished an eyecatching 4th behind Maggies Son at Ballarat last week He has a tough draw but has won 12 of his 17 starts and is racing at his peak. BLAKEY just failed to hold out Toe Taper at his latest start but won the Yarra Valley Cup earlier this season and will be suited by a trailing draw. REDCOURT (11) is racing in outstanding form with a 4th in the Geelong Cup followed by a 2nd in both the Bendigo and Hamilton Cups. He was run down in the last stride by Rollon Bigred at his latest appearance and is tough enough to overcome the outside of the second line. SEQUOIAHS SPIRIT (5) led and was run down in the last 50m last week by Cosmic Legacy but should be fitter for the run and is worth another chance. The tough pacers PERFECT LIGNUM (2) and L A OPERATOR (3) should be prominent throughout from their good draws. ROBRIC JONBOY (9) particularly well in this series last year and BARCLAY COURT (4) has been in great form

Race 6: CLASSIC HERO (7) is an underrated pacer and caught the eye with a fast finishing 3rd behind Hei Heir at Ballarat last outing. He raced wide throughout and ran away from his rivals to win at Horsham three starts back so is a good each way bet here. MANINKY FLIGHT (2) was very impressive when he sprinted quickly from midfield to win on this track last week. He is stepping up in grade but has built up a good record and should run his usual honest race. PHINEMUS (3) possesses blistering early pace and looks to be the leader of the event. He was left alone in front when he won last time but showed his class when attacked throughout at his previous Nyah victory. CHARLIE MAGEE (9) has been racing against the open class and hasn't been far away from Cosmic Legacy over the past two weeks. This is easier and he should be running to the line powerfully with the right trail forward. MYTHICAL BEAST (5) is an extremely strong stayer as evidenced by his MV victory last year and should be fitter from his promising first up 4th at Globe Derby. He could show up without surprising and THREE O'CLOCK ROCK (8) is a minor place hope in

Race 7: The Bendigo Cup winner REGAL DASH (7) has the perfect trailing draw behind local hero COSMIC LEGACY (1) and should receive the run of the race. He had no luck in the Hamilton Cup and is worth another chance here. COSMIC LEGACY produced another outstanding display when he gunned down Sequoiahs Spirit last week. There is plenty of speed drawn on his outside but he is brilliant out of the gate and should hold the lead. He will give his usual tough display and give the local fans a big sight. DEE DEES DREAM (10) has been racing well but without luck. He did some work in the run and boxed on well for 4th in the Hamilton Cup last outing. JAGGED ACCOUNT (9) has been lightly raced in recent times but did find the line nicely in a recent Geelong trial and should be suited if there is plenty of pressure in the early and middle stages. NICKY ANVIL (3) endured a very tough run before hitting the lead on the final corner and being run down in the Port Pirie Cup last outing. He possesses high speed and should receive every chance from the good draw. SAYONARA (6) and MANWARRA MAKER (11) are both each way chances in the event

Race 8: The South Australian pacer ALLBERT (4) endured a tough run and didn't give in when 4th behind Anvils A Christian last outing. His form prior was solid and he has the strength to overcome the awkward draw. BAD LEROY (2) continued his strong form when he produced another terrific display to down George Edward last week. He is perfectly drawn and should run his usual honest race. The former New Zealand pacer OUR ROCKET (9) is awkwardly drawn but won in very fast time at Forbury Park in Nov and met a smart field at Winton last outing. The Glenn Douglas trained pacer is making his local debut and is sure to run a good race.

## Justice has double the chance of more cup glory

THE Mildura Harness Racing Club is anticipating a big crowd to be in attendance to witness a quality field contest the \$50,000 Park Douglas Printing Mildura Pacing Cup Final when Melton trainer Lance Justice will try to record his fourth successive victory in the cup at the City Oval Paceway tonight.

Justice was successful with his Australian champion Sokyola from 2003-2005 when he rewrote the record books to become the first horse to win three Mildura Pacing Cups, but the pacer will be missing from the event this year as he tackled the Inter Dominion Championship which concluded in Tasmania on the weekend.

"I had him coming to Mildura after his first heat run in the Inter (Dominion), but I was told by Harness Racing Victoria that I would incur a big penalty if I scratched from the series and would not be able to run in the Mildura Cup," Justice said.

"After he ran his final heat I was still keen to contest the cup, but I then ran into difficulty in getting him transported home in time for the event."

Justice will be aiming for his fourth Park Douglas Printing Mildura Pacing Cup tonight when he lines up both Sayonara and Massarua, who are winning chances if the race is run to suit the backmarkers.

"I am not without a chance of winning the cup again as both horses are going good," Justice said.

Justice has elected to drive Massarua in the cup after he recorded a fast finishing fourth in his heat on Tuesday night behind the impressive pacer Toe Taper.

"He has been a really cheap horse after getting him from a \$20,000 claimer and he is racing well and likes the track so I will be hoping that there will be plenty of pressure on up front and he will then be a winning chance," Justice said.

There will be plenty of on-course attractions for patrons including a host of entertainment for the children, pony trot races, big screen to watch all of the harness action, show bags for the first 250 children through the gate as well as competitions to win a Sony Play Station 2 and a trip to the Gold Coast.

Admission prices to the cup meeting are Adults \$10, Pensioners \$5. Children Under 17 years \$2 or free of charge if accompanied by an

• Mildura Pacing Cup champion Sokyola records the first of his three cup wins back in 2003. Sokyola will unfortunately be missing from the line-up this year, but trainer Lance Justice will still be a chance of making it four cup wins in succession as he will line-up Massarua and Sayonara in the cup tonight.

## Court ready for action in Pacing Cup

SMART five-year-old pacer Barclay Court is a pacer on the way up and he has already pleased his trainer Steve O'Donoghue by making it through to the final of the Park Douglas Printing Mildura Pacing Cup to be run at the City Oval Paceway tonight.

Barclay Court qualified for the \$50,000 Mildura Pacing Cup Final after recording a fast finishing second in his

cup heat last Tuesday night.

Barclay Court was positioned three-back along the pegs in his heat and reinsman Todd Matthews found a clear opening late in the home straight to charge home for second when beaten by the impressive pacer Toe Taper in a 1:59.9 mile rate.

"He needs to have a quiet trip at this stage in this grade as it is his first real step up, but he is a nice horse with a good record and he did get home well in his cup heat," Matthews said.

Barclay Court was an eye-catching performance on Tuesday night and he has the ability to run a fast time as he recorded a 1:57.2 mile rate in a super win at Shepparton on February 23, when he defeated his rival for tonight's cup in Perfect Lignum.

Barclay Court has won 19 races from only 33 outings since commencing his racing career as a three-year-old and he showed a lot of talent as soon as he hit the race track as he won his first five starts including the Lynrose Final at Shepparton.

"He has always been a nice horse and he never raced as a two-year-old as I was busy with the breeding season and he did not get ready in time," trainer and studmaster of Morley Park, Steve O'Donoghue said.

Barclay Court is racing in terrific form as he has won five of his past nine outings including three second placings and O'Donoghue is thrilled to have his up and coming pacer contest tonight's Mildura Pacing Cup Final.

"He is a lovely honest and consistent horse and I looked for a Country Cup race for him to tackle to see how he would go as it is his first open class test and I am hoping he can take the next step next season," O'Donoghue said.

Barclay Court has drawn the front line in barrier three in tonight's feature event of the year for the Mildura Harness Racing Club and the son of Island Glow should be in the firing line throughout as he has the speed to figure prominently in the finish.

"I would've preferred to have drawn inside Cosmic Legacy, but hopefully we can get a good run from the draw. I am very happy just to get into the final as it will be exciting to compete in a good race. You have to be in it to win it and I would be even happy to run second," O'Donoghue said.

## A top line-up of class horses set to contest Free For All

• Earls Court with Jodi Quinlan in the sulky defeats a quality field in a heat of the Rising Stars Pace at Bendigo last month. The six-year-old will be a top chance of recording an all-the-way win in the Mildura Workingman's Sports and Social Club Free For All at the City Oval Paceway tonight.

• Robric Jonboy shows his class with reinsman Max Wishart after leading throughout to win the SEW-Eurodrive Pace at Moonee Valley. The gelding will appreciate a drop back in class as he contests the Free For All at the Mildura Harness Racing meeting tonight.

GREAT Western pacer Earls Court is racing in career best form and he can continue on his winning way in the Mildura Workingman's Sports and Social Club Free For All at the Park Douglas Printing Mildura Pacing Cup meeting tonight.

Earls Court has won three of his past four outings at Bendigo, Stawell and a last start Ballarat victory when he led throughout to defeat Way Up High and Dontfencemein in impressive style by a 5.9 metre margin.

"He has hit a purple patch in form and when I brought him back into work this time he had improved a lot and he has matured mentally believe it or not being a six-yearold," trainer Warren Bird said.

Earls Court won a heat of the Rising Stars Pace at Bendigo in a 1:59.4 mile rate after defeating the talented pacers Mevagissey and Jacoka Lon prior to finishing fourth behind the up and coming pacer Ball Gown in the final at Shepparton after the last half mile was run in a sizzling 56.4 seconds.

"He has been racing against top horses and he is still an M0 which is unbelievable, but I reckon once he wins an M0 race he will probably string a few wins together in town," Bird said.

Earls Court will be having his second start at the Mildura circuit as his previous outing was back in January this year when he finished seventh behind Maurice George in the Ouyen Pacing Cup.

"He found the distance too far and he was hammered out in front so he had excuses for that run,"

The son of Exotic Earl has a consistent record of 14 wins and 19 placings from 58 outings and he will be driven in the Free For All by Jodi Quinlan, who has partnered the pacer in three of his past four wins.

"Jodi is rapt in the horse as she says he is getting stronger each time he goes out which is what he needs to do against this class of horse," Bird said.

Bird believes Earls Court should make a good Country Cup horse next season and is hoping he can take advantage of his barrier one draw tonight to be prominent at the finish of the race.

"There is a fair bit of class in the race as it is as good as you find in the city, but I am happy with him and the race suits so he should run very well," he said.

The main dangers in the race appear to be Robric Jonboy, Nicky Anvil and Jagged Account, who tackled the heats of the Park Douglas Printing Mildura Pacing Cup on Tuesday night, but failed to qualify for tonight's final.

Robric Jonboy had no luck in his cup heat when he finished sixth behind Toe Taper after being inconvenienced during the run and he will be further improved with that run under his belt as he has now had two runs back from a two month break from racing.

The Rick Hasty trained sevenyear-old is a regular competitor at the Mildura Pacing Cup Carnival and he will be suited to the drop back in class from his past five

The smart South Australian pacer Nicky Anvil is the first emergency for the cup after finishing sixth behind Cosmic Legacy in his heat on Tuesday

Nicky Anvil is one of the best pacers in South Australia and he is also suited to tonight's event and will go close to recording his 24th

There will be plenty of support on track for the Irymple pacer C C Mee, who was unlucky not to have gained a start in a heat of the Mildura Pacing Cup on Tuesday

C C Mee is owned by trainer Robert Hyder and his wife Judy in partnership with the 100 members of the Mildura Harness Racing Club Standardbred Syndicate.

C C Mee has had little luck since defeating Cobargo Wind and Nelson Cody at Nyah on March 9 and there will plenty of excitement on-course if the talented son of Christian Cullen can continue his consistent form at the Mildura circuit tonight.

The Mildura Workingman's Sports and Social Club Free For All has assembled a quality lineup which is race four on the cup program which is to start at 8.30pm.

# Cosmic to star in Pacing Cup

MERBEIN pacer Cosmic Legacy has an opportunity to create history in the \$50,000 Park Douglas Printing Mildura Pacing Cup at the City Oval Paceway tonight.

It would be the first time a horse trained in the Sunraysia district has won the feature event in the 48 year history of the Mildura Pacing Cup.

Cosmic Legacy will be a big hope of making it a local cup win after he led throughout to win his heat on Tuesday night and he appears to be the likely leader again in the cup final as he is drawn to find the pegs first from barrier two.

"I reckon he has a big race win in him and I would love it to be the Mildura Cup," trainer-driver Brian Sylvia said.

Cosmic Legacy is only in his second season of racing and has had an operation to correct an old injury in his leg, but it has not stopped him from being a headline act in the district after recording 21 wins from 35 outings.

Cosmic Legacy has been a tremendous horse for Sylvia and his wife Virginia as he has so far earned \$87,681 in prizemoney after they bought the pacer at a bargain price

"I went to a sale at Neville Cranston's stud to buy a broodmare, but when I got there I was told that she was not in foal so I lost interest. He (Cosmic Legacy) happened to walk past me and I liked what I saw so we ended up buying him," Sylvia said.

"He had cut his leg in a storm prior to me buying him which I had it operated on and I have been told that he has been with a couple of trainers before hand and that they did not like him so we are lucky to have ended up with him."

Cosmic Legacy was bred by prominent Victorian breeder Barry Robinson, who owns the mother Janoela Star and is hoping his former pacer can take out the Mildura Pacing Cup to increase the value of his broodmare.

"She has had four foals to race so far in Cosmic Flight, Cosmic Shield, Cosmic Legacy and Cosmic Storm and they have all won and have all gone under two minutes," Robinson

"He was very big when a young horse which is why he didn't make it as a two-year-old as he went by the nickname of Lanky.

hard and I wish Brian (Sylvia) good luck with him as he is helping to make our mare a success at stud."

Cosmic Legacy has a big lead for horse of the year honors at the Mildura circuit as he has won nine races at the track this season and there would be none more special than number 10 if it happens to come in the cup tonight.

Cosmic Legacy has formed a strong following among the harness racing enthusiasts in the northern region and he will have a lot of support again tonight and they will bring the grandstand down if he can secure a local win in the Mildura Pacing Cup

The Park Douglas Printing Mildura Pacing Cup has attracted a quality and even line-up with many winning chances which is sure to provide for an increase in betting turnover as well as an entertaining race.

Kilmore pacer Toe Taper will also be a big chance of taking out Mildura Harness Racing Club's feature event of the year as he caught the attention of the on-course patrons in his heat on Tuesday night when he recorded a comfortable 5.3-metre win in a 1:59.9

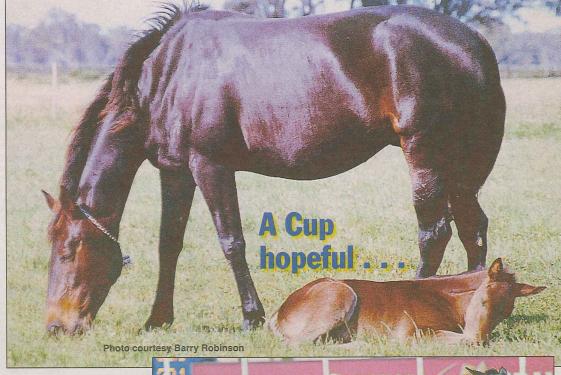

Toe Taper has made a quick meteoric rise into Country Cup class races as he only commenced racing in July last year and he has earned \$83,940 in less than nine months of racing with 13 wins from only 18 outings.

Regal Dash will be aiming for another cup win this season after taking out the Bendigo Pacing Cup by a 4.5 metre margin in a track record time of 1:57.4 for the 2415 metre journey.

Regal Dash enjoyed a good run behind Cosmic Legacy in his heat on Tuesday and although he snuck through a narrow opening over the concluding stages he could not peg back the local star when there was only a head margin separating the

Regal Dash is drawn to get a trail on the back of Cosmic Legacy at the start and he may get a good run through the field to take up a handy position and the talented five-yearold will make his presence felt again

The Park Douglas Printing Mildura Pacing Cup is race seven on the program which will commence at

 ABOVE: Cosmic Legacy rests in the grass at the farm of Bloodstock Alabar while being closely monitored by his mother Janoela Star.

• RIGHT: Cosmic Legacy with trainerdriver Brian Sylvia in the sulky records his first Moonee Valley victory in November last year and he will be one of the leading chances in the 2006 Park Douglas Printing Mildura Pacing Cup at the City Oval Paceway tonight.

Up-and-coming pacer who finished second at Kilmore on March 17 prior to a comfortable victory over Ceratophylla at Charlton. Has already won 19 races and he was an eye catching performance in his heat on Tuesday night when he ran on strongly to finish second behind Toe Taper after being pocketed along the pegs during the run. Is right in the race from his good barrier draw and has each way claims.
