THE NEW SOUTH WALES TROTTING & LIMITED.

Rule Amendments.

MOVING STARTS.

New Rule :

Rule 238A : " (1) All horses drawn up behind a moving barrier shall be deemed to be starters in the race, irrespective of their positions or their gait at the start.

Provided that the Starter may declare a non-starter any horse that has refused to come within a reasonable distance of the barrier.

" (2) The Starter may defer the start if at the designated starting point—

- (a) a horse has fallen ;
- (b) the chances of any runner have been or are being materially affected by interference ;
- (c) a horse has broken equipment ;
- (d) any horse is not fully behind the arms of the barrier ; or
- (e) any horse is likely to gain an unfair advantage. "

Rule 238B : In the event of adverse track conditions, mechanical fault, or any other circumstances that could militate against a moving barrier being operated safely or efficiently, the Stewards may direct that a race intended for a moving-barrier start shall be started by any other approved starting method.

Provided that such race shall be started as near to the proposed start of the race as the alternative method of starting will permit.

Provided also that the horses shall occupy the same barrier positions and rows from which they would have started had the moving barrier been used.

Rule 239 : Add the following proviso—

" Provided that where a moving barrier is in operation the Chief Steward shall prescribe the points on the track between which the horses shall be marshalled behind the barrier and between which the race shall be started. "

New Rule :

Rule 253B : " During the run-up of a moving start horses shall not, except in an emergency, be permitted by their drivers to deviate from their barrier positions.

" Provided that the Starter may during the run-up, give such directions that would in his opinion be conducive to a fair start. "

Provided that the Stewards may grant exemption from the operation of this rule where a trainer has two horses engaged in the one race or is injured during the progress of a meeting or if it be proved to their satisfaction that the horse withdrawn is so seriously injured or otherwise incapacitated that it was impossible for him to be brought to the meeting to compete.

DEFINITION OF A "STARTER"

REGISTRATION OF BOOKMAKERS

The Committee reserves the right to refuse the registration of any Bookmaker to ply his vocation at Meetings of the New South Wales Trotting Club Ltd. without assigning any reason.

A Licensed Bookmaker will not be permitted to act as Clerk at Meetings of the New South Wales Trotting Club Ltd.

Bookmakers must produce their Government Tax Receipts when demanded by the Police or an Official of the New South Wales Trotting Club Ltd.

Bookmakers calling the odds to any horse straight out must, on demand, lay the odds quoted to an amount of not less than £5 in the Saddling Paddock; £4 in the Leger Reserves, but so that in no case shall the Bookmaker be compelled to lose more than £100 on any straight-out wager demanded by the takers.

In Double Event Betting a Bookmaker must lay the odds quoted to an amount of not less than £1 in the Saddling Paddock, and 10/- in the Leger Reserves.

In Double Events Bets:—

- Bets are determined when the first event is lost.
- If either is decided in the backer's favour and the other results in a dead-heat, the money betted must be put together and equally divided.
- If both horses backed run dead-heats, the money betted must be put together and divided in the proportion of one-fourth to the backer and three-fourths to the layer.
- If the horse backed for the first event wins and the horse backed for the second event does not start, the bet shall be play or pay, unless otherwise agreed at the time the bet is made; provided that bets made on the course on the day of the race on which both events are run are void:—
 - If the horse backed for the first event does not come under the starter's orders, or
 - If the horse backed for the second event is scratched before the horse backed for the first event comes under the starter's orders, or
 - If the horse backed for the first event wins and the horse backed for the second event does not come under the Starter's orders, or
 - If the first event is divided after the bet is made.

Bookmakers must notify the Secretary of the New South Wales Trotting Club Ltd., in writing of all unpaid bets within seven (7) days of the Meeting.

On all tickets the name of the horse and amount of the bet must be clearly written. Should a dispute arise and it is found that this has not been done, a decision may be given against the Bookmaker. It shall be imperative for Bookmakers operating at meetings of the New South Wales Trotting Club Ltd., to have a number of the ticket and the name of the Bookmaker printed on the Betting Ticket.

No Bookmaker shall issue a Betting Ticket upon which the name of any other Bookmaker has been printed and no Bookmaker shall

sell or transfer a Betting Ticket to any other Bookmaker or to any person on his behalf.

A Betting Ticket shall not be issued by a Bookmaker unless there is printed thereon the name and address of the Bookmaker by or on whose behalf it is issued. The name or address if impressed on the ticket with a Rubber Stamp shall not be deemed to have been printed.

A Betting Ticket which has been previously issued shall not be issued by a Bookmaker or by any person acting on his behalf.

A Bookmaker issuing a Betting Ticket at meetings of the New South Wales Trotting Club Ltd., without having his name printed on the ticket, shall be liable to have his licence cancelled.

In all disputed bets, the ticket must be submitted to the Stewards intact and not in any way mutilated, otherwise a decision may be given against the person mutilating the ticket.

A horse shall be deemed to be a starter in a race and under the Starter's hands immediately upon the Driver of such horse being ordered by the Starter to line up at or behind the starting post; provided that the Stewards shall have power to order the withdrawal of a horse from any race either before or after it has come under the Starter's orders, if, in the opinion of the Stewards, such horse is unfit or unable to run by reason of injury or otherwise.

In the event of the Stewards ordering or permitting a horse to be withdrawn from a race after the time for scratching, they may declare off all bets made on the racecourse on such race on the day it is being run or they may make such order as to the settlement of such bets made prior to the withdrawal as in their discretion they may deem just.

In the event of any infringement of the above Regulations, or in the case of any disputed Bets, it is requested that the Secretary be at once communicated with, when disputed Bets will be dealt with by the Stewards at the conclusion of the last race of the day.

In the event of non-payment of a Bet upon presentation of the Betting Ticket to the Bookmaker, the holder of such Ticket is advised to lodge the Ticket with the Betting Supervisor not later than thirty minutes after the conclusion of the race in respect of which the Ticket was issued.

On lodgement of the Ticket as abovementioned, the Club will as an act of grace, endeavour to collect such Bet on behalf of the holder of the Ticket.

The Betting Supervisors may be located for five minutes after each race at the back of each betting ring in each enclosure.

Rule 87 (a) It is hereby declared that the Stewards shall also have power to entertain and decide any disputes relating to bets.

(b) At a Licensed Trotting Meeting held within a radius of 40 miles from the General Post Office, Sydney, where a betting Supervisor is employed by a Club, the Stewards may delegate to him all or any of the powers conferred upon them by Rule 87 (a) subject to such conditions as they may prescribe.

(c) Notwithstanding anything in the Rules of Trotting of the New South Wales Trotting Club Ltd. contained or implied the decision of the Stewards in any betting dispute at a Licensed Trotting Meeting held within 40 miles of the General Post Office, Sydney, shall be final and conclusive.
