To be eligible to compete in the Grand Final of the Championship horses shall start in every Qualifying Division unless exemption is made by the Grand Council of the Inter Dominion Trotting Council.

Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Division on the basis that the winner of a race of a Qualifying Division will receive in points the equivalent of the number of horses previously selected by the Host Club as the maximum number of horses to compete in each race of the Qualifying Divisions. The second horses in each race of the Qualifying Divisions will receive the next lower number in points and the third horses will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field will receive one (1) point.

The winner of each race of a Qualifying Division will receive one (1) bonus point to be added to the points already earned for that race.

There are no points allocated for fastest time.

A horse that is scratched from a race of the Qualifying Divisions or a horse that does not complete the race will not be allocated any points for the race of that Qualifying Division.

In the event of a scratching or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field had competed and finished the course in that particular race.

In the event of a dead-heat all points of the horses dead-heating shall be added together and equally divided.

The ten horses which gain the greatest aggregate of points shall be eligible to start in the Grand Final.

In the event of two or more horses each scoring equally the minimum number of points entitling them to be eligible for the Grand Final and thereby producing a field exceeding the number designated by the Albion Park Trotting Club or producing a field exceeding the safety number for Albion Park Paceway then the Grand Council shall decide in its discretion which of the horses with equal points shall start in the Grand Final.

Should circumstances warrant such a course of action the Grand Council of the Inter-Dominion Trotting Council shall have the power to increase the number of starters above the designated number and to select the additional starters.

Official Points Scorer — Mr. J. I. H. GREGG.

STEWARDS' REPORT
THE ALBION PARK TROTTING CLUB
Saturday, 20th May, 1972

Scratchings :

ERIN PRINCE, which was scratched for veterinary reasons, was declared ineligible to start for 10 days.

Changes of Gear :

Connections of STANLEY HANOVER were permitted to alter hobbles from 54 to 55½.

Race 1: ROYAL GARRISON (P. J. Hall) galloped at the start and will continue to be drawn on the outside in standing start races.

PRINCESS LIGHT (J. L. Young) broke for no apparent reason on the turn out of the back straight during the first lap, and again broke and fell in the same position during the second lap. BAY BRIGADE (R. L. Williams) also broke on the first turn out of the back straight and appeared to be unbalanced by racing in the right-handed direction and failed to complete the course.

HARD TO GET (J. Ilesley) broke and lost ground on the turn out of the back straight soon after the start when racing on the inside of MONARA (D. Dove). An enquiry was opened and adjourned until after the last race.

Race 2: SPRING MOON (N. Price) galloped at the start causing WILLIAM GUY to check and lose ground. SPRING MOON again broke in running, and a final warning was issued to connections.

STANLEY HANOVER (J. O'Sullivan) crossfired during the running causing him to lug and race ungenerously. The connections were advised to cure him of this habit.

Race 3: TRADER HORN (J. McMullen) galloped at the start and will continue to be drawn on the outside in standing start races.

DEEP COURT (C. Webster) broke as the horses turned into the front straight during the first lap, causing WELCOME ADVICE (A. G. Harpley), which was following, to check and lose considerable ground. A warning was issued to connections of DEEP COURT regarding the horse breaking in races.

ARTANIS (J. Binskin) appeared to force WELCOME ADVICE (A. G. Harpley) to race wider on the track than was necessary on the turn out of the straight during the final lap.

Race 4: An enquiry was opened into the running and handling of ROYAL RIVER driven by K. Charlwood, and after hearing evidence from Trainer W. Townsend and Driver Charlwood, the enquiry was adjourned until after the last race.

Race 5: RED VICAR (E. R. Kersley) was slow away, and appeared to race unkindly in the right-handed direction.

Race 6: MERRY FROST (J. Croghan) broke on the turn out of the straight soon after the start when the field was racing tightly, causing BILL BOW (P. J. Hall) which was trailing, to check and lose considerable ground. An enquiry, was held, and after hearing evidence of Drivers J. Croghan (MERRY FROST) and G. McMahon (CLIONA BELLE), Driver G. McMahon was found guilty of contravening Rule 261(a) and his driver's licence was suspended for 4 weeks.

Race 7: ENFIELD PARK (W. Wood) broke on the turn out of the straight during the first lap, causing HENRY SCOTT (K. J. Belford) which was trailing to lose considerable ground.

SMILING SONG (A. Camilleri) whose performance was unsatisfactory was declared ineligible to start at Albion Park until a satisfactory trial is performed.

Race 8: RAIVANCE (J. McMullen) galloped at the start and will be excluded from the barrier draw in standing starts. RAIVANCE (J. McMullen) also broke again in running, and a warning was issued to the connections.

RESULTS OF ENQUIRIES —

Race 1: After hearing evidence of Driver J. Ilesley (HARD TO GET) and Driver D. Dove (MONARA) and from the Steward's observation, Driver D. Dove was found guilty of contravening Rule 261(a) and his driver's licence was suspended for 4 weeks.

Race 6: After hearing evidence of Drivers J. Croghan (MERRY FROST) and G. McMahon (CLIONA BELLE), Driver G. McMahon was found guilty of contravening Rule 261(a), and his driver's licence was suspended for four (4) weeks.

Race 3: Incident concerning ARTANIS and WELCOME ADVICE: As there were extenuating circumstances, no further action was taken other than to advise Driver J. Binskin to use greater care in future races.

Race 7: Incident concerning ENFIELD PARK and HENRY SCOTT: The Stewards were of the opinion that the incident was caused by ENFIELD PARK (W. Woods) shifting in slightly and HENRY SCOTT (K. Belford) boring out slightly, and making contact. Both driver W. D. Wood and K. J. Belford were severely reprimanded.

Race 4: After hearing further evidence from both Trainer Townsend and Driver K. Charlwood, Trainer W. Townsend's explanation was accepted and no further action was taken against the trainer. Driver K. Charlwood was charged with not allowing the horse ROYAL RIVER to race on its merits in the fourth race, and the enquiry was adjourned until 6.30 p.m. on Wednesday, 24/5/72.

Hobbles of horses which broke were checked and found to be of correct length. Films were viewed at enquiries. Winners were sent to be swabbed.

J. I. H. GREGG,
Chairman of Stewards.
