## STIPENDIARY STEWARDS' REPORT

### FIRST NIGHT, SATURDAY, MARCH 12th, 1983

**HOBART MOBILE PACE** — Goldie Be Good, which broke from the front line and stumbled, lost considerable ground and took no serious part. This horse was later declared unruly from mobile starts. **MAX HARVEY RESTRICTED FREE-FOR-ALL** — Shortly after the start Gaining Star broke free of interference. Another to break but settle quickly, was Petite Maitre. With approximately 450 metres to run, King Amber when making a forward move, stumbled and broke. Prince Sharvid the favourite was forced to race three wide over the last round, giving ground in the run home. Petite Maitre received a check turning for home when towards the rear of the field, this was caused when the horse attempted to improve on the inside of Prince Sharvid where there was insufficient room.

**DOMINION BREWERIES MOBILE STAKES** — Following this event M. McKendry, driver of El Royette, was fined \$75 for failing to maintain a straight course, this resulted in Bobby Vance having to be checked out of a narrowing gap. O. Purdon, the driver of the latter, stated that the horse had come to the end of his run and his chances of finishing closer were not affected.

**TELERAD TELEVISION FIRST QUALIFYING HEAT** — Following this event, Mr T. F. Thompson, driver of The Sting had his horseman's licence suspended up to and including the 19th March 1983, for driving in the manner which caused his own horse to break and when attempting to push John Tudor outwards his horse broke, causing a resultant severe check to Ao Marama. The winner, Wondai's Mate, paced roughly around the first turn losing a little ground.

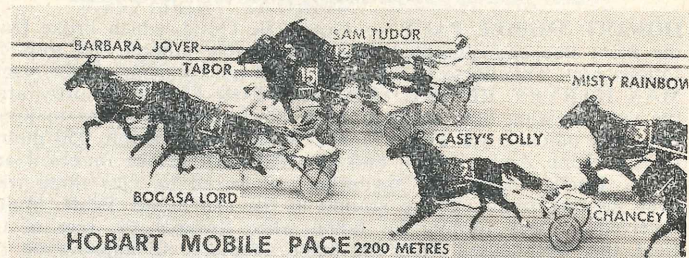

**KUMEU TROTting CLUB FIRST QUALIFYING HEAT** — Sure Court and Scotch Notch were both slow at the start while Jenner and Great Talent both broke, the latter losing all chance.

**CALTEX DEALERS SECOND QUALIFYING HEAT** — Dillon Dale broke after 300 metres, Jilaire's Chance was sore on cooling out and was acutely lame in the near fore leg and will be further examined by a vet.

**FRANKLIN TROTting CLUB SECOND QUALIFYING HEAT** — Down South Clare broke at the start losing all chance. Basil Dean broke after approximately 60 metres free of interference. Another to make a mistake during the race was Malvena, this horse received a check with approximately 400 metres to run when Worthy Sox hung badly on to Mini's Pride, who in turn tightened Polly Lobell on to Malvena which broke. Worthy Sox was broken up when driver L. Caldwell attempted to prevent this incident occurring, Caldwell was issued with a warning to overcome this horse's hanging tendencies. In the home run both Sir Castleton and Basil Dean broke under pressure.

**TELERAD VIDEO THIRD QUALIFYING HEAT** — With approximately 500 metres to run, Melton Monarch broke. Driver B. Purdon said that he appeared to stumble, and received no interference.

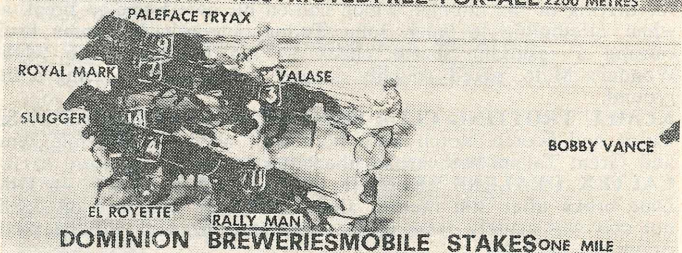

**COURIER SYSTEMS HANDICAP** — On Your Mark ran in at the start this causing Poplar Country to receive a check and broke losing considerable ground. Try Phee was another to break shortly after the start, while after 500 metres Ata Lord broke free of interference losing considerable ground which was made up and this horse finished brilliantly to run a close second. Grasier broke in the run home free of interference.

**POINTS SYSTEM:**

Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Division on the basis that the winner of a race of a Qualifying Division will receive in points the equivalent of the number of horses previously selected by the Auckland Trotting Club as the maximum number of horses to compete in each race of the Qualifying Divisions. The second horse in each race of the Qualifying Divisions will receive the next lower number in points and the third horse will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field will receive one (1) point.

The winner of each race of a Qualifying Division will receive one (1) bonus point to be added to the points already earned for that race.

There are no points allocated for fastest time.

A horse that is scratched from a race of a Qualifying Division or a horse that does not complete the race will not be allocated any points for the race of that Qualifying Division.

In the event of a scratching or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field had competed and finished the course in that particular race.

In the event of a dead-heat all points of the horses dead-heating shall be added together and equally divided.

The Judge shall place all horses in a race according to the order in which their noses reached the winning post.

In each Qualifying Division the same number of maximum points shall be allocated irrespective of the actual number of starters and irrespective of the variation of the number of Divisions on each day or night of racing.

The twelve (12) Horses which gain the greatest aggregate of points shall be eligible to start in the Grand Finals, but should circumstances warrant such a course of action the Grand Council of the Inter Dominion Conference shall have the power to increase the numbers of starters above the designated number and to select the additional starters.

In the event of two or more horses each scoring equally the minimum number of points entitling them to be eligible for the Grand Finals and thereby producing a field exceeding the number designated by the Auckland Trotting Club (Inc.) or producing a field exceeding the safety number permitted for Alexandra Park Raceway, then the Grand Council shall decide in its discretion which of the horses with equal points shall start in the Grand Finals. The Championship Programme Committee shall be the sole judge of which horses are entitled to start in the Consolation Races.

Wherever a scratching occurs after the Barrier Draw of a Division, Consolation or Final, no horse shall change his Barrier Position or line because of such a scratching provided that where a scratching does occur on the front line horses shall have their position adjusted so as to close up all gaps left by scratchings.

**HORSES ELIGIBLE TO COMPETE IN THE GRAND FINAL**

To be eligible to compete in the Grand Final, horses shall start in each Qualifying Race unless exemption is made by the Grand Council who shall decide upon each case according to its merit.

## HOW TO BET ON THE TOTE

### QUINELLA — JETBET SELL/PAY SYSTEM

You select two horses to run first and second in either order in one race.

#### BOX

You may couple three or more horses (e.g.) 1x2x4x6 = 1-2, 1-4, 1-6, 2-4, 2-6, 4-6; and costs \$6.00.

#### MULTIPLE

You may select one horse with one or more other horses (e.g.) 1 with 2,3,4 and 6 = 1-2, 1-3, 1-4, 1-6; and costs \$4.00.

#### FIELD

One horse may be coupled with all other horses (e.g.) 2 with the field=2:F.

### TRUE DOUBLES

A true double is a pre-selection double and when buying a ticket you MUST nominate the horse you select to win each of the two doubles races.

If you wish to cover all the starters in one leg with a horse in the other leg of the double you should ask for a field ticket. Once the Totalisator has opened the numbers of the horses in the Field of each leg must remain constant for the purpose of Field Tickets, notwithstanding that a late scratching may have been permitted.

### FORECAST

This is for investors to invest in a selected race(s) for Forecast betting for the purpose of nominating the Two Horses which must be placed first and second.

Investors must ask for the numbers of the Two Horses selected to fill first and second places with their first selected number first.

### JETBET SELL/PAY SYSTEM

You must nominate a horse to win in each of the three treble races.

#### MULTIPLE

You may select one or more horses for each of the treble races (e.g.) 1, 2 and 4; with 2, 3 and 6; with 1, 4, 8 and 12; and costs = \$36.00.

### FIELD

You can select all the horses in any one or all of the three nominated treble races and you would ask for a field ticket (e.g.) 2:F:4 or 2:1:F or 2:F:F or F:1:4.

### PAYOUT

#### JETBET SELL/PAY SYSTEM

(With Jetbet sell/pay you can bet and/or collect at any window.)

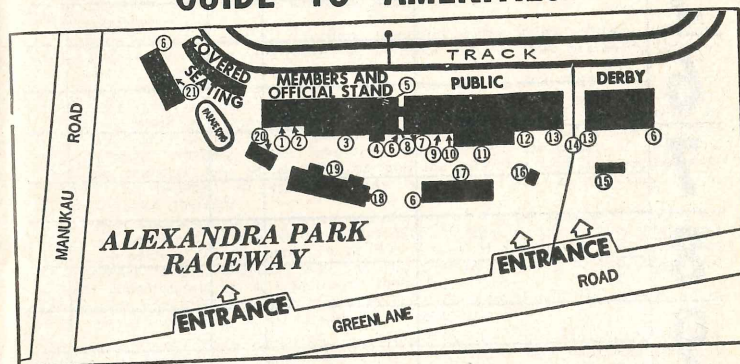

#### HOW TO COLLECT

Take your winning ticket to ANY window and hand it to the operator. The screen tells you how much you will collect.

#### HOW TO COLLECT/BET

If you are betting **and** collecting give the operator your winning ticket **FIRST**. You can see the amount to collect on the screen. You can then bet against your collect and either pay or collect the difference.

- (f) Persons convicted in countries outside New Zealand of offences corresponding to those mentioned in paragraph (d) or paragraph (e).

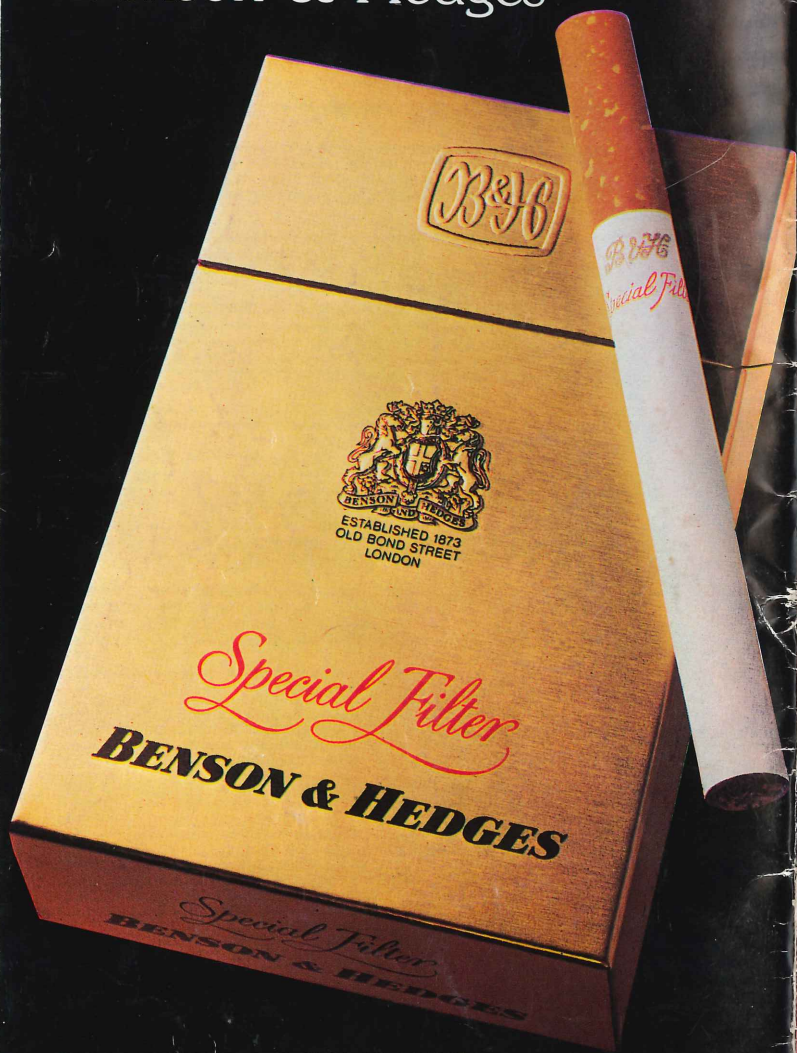

Provided always that a committee established by the New Zealand Racing and Trotting Conferences upon being satisfied as to character and otherwise that any person who, by reason of any conviction, comes within the scope of these rules should have relief from the effect thereof may grant exemption to any such person.
