**CRECHE FACILITIES**

Patrons are advised that a Licensed Creche is operating in the East Wing of the Tea Kiosk at all meetings held at Addington Raceway. The creche is open to children up to the age of six years; the fee being \$1 per hour, or part thereof, per child.

Inspection welcome.

**SUBSTITUTE**

A substitute for a race is determined five minutes prior to the advertised starting time and is the win favourite at that point in time. This only effects trebles, doubles and jackpot betting. However, a substitute is not required if it relates to the first leg of each of these forms of betting. Investments are automatically refunded.

# THE STAR

## DRIVER OF THE SEASON

ADDINGTON RACEWAY 1986-87 SEASON

(August 16 1986 to May 22 1987)

WINNER \$300 SECOND \$150 THIRD \$50

Challenge Trophy to be presented and held by the winning Driver for 12 months.

The UDR system might look complicated but it's not. Based on the formula used in baseball in America, the UDR System is designed to ascertain the most consistent driver rather than the one who wins the most races.

To work out his rating just: Multiply his starts by nine  
Multiply his wins by nine  
Multiply his seconds by five  
Multiply his thirds by three.

Combine the totals for wins, seconds and thirds and divide it by the number of starts. The formula makes two seconds worth slightly more than one win, a second and a third just less than one win and three thirds an equal amount as one win. To be eligible to participate a driver must drive 40 times in races staged by the three Addington Clubs at Addington Raceway.
