POINTS SYSTEM

Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Division on the basis that the winner will receive in points the equivalent of the maximum number of horses competing in each race of the Qualifying Heats. The second horse in that race of the Qualifying Heats will receive the next lowest number in points; the third horse will receive the next lowest number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing in a maximum field of ten (10) will receive on (1) point.

The WINNER of each race of a Qualifying Heat will receive ONE (1) BONUS POINT to be added to the points already earned for that race. Points WILL NOT be allocated for fastest time or for any other reason. A horse which is scratched from a race of the Qualifying Heats or a horse which does not complete the race, will not be allocated any points in that race unless determined by the stewards of the meeting. In the event of a scratching, or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field has competed and finished the course.

In the event of a DEAD-HEAT all points of the horses dead-heating shall be added together and divided equally.

SCRATCHING PENALTIES FOR THE MEETING

RACE 3..SECOND BAT (trainer B.R Peace) was withdrawn for a veterinary reason and was stood down for 14 days pending receipt of veterinary certificate

RACE 4..KEEN EDGE (trainer K.J. Thomas) was withdrawn for a veterinary reason and was stood down for eight weeks pending receipt of veterinary certificate

RACE 8..GOLDEN HAMMER (trainer L.J. Justice) was withdrawn for a veterinary reason and was stood down for 14 days pending receipt of a veterinary certificate

GEAR CHANGES FOR THE MEETING

RACE 1..VOTE NO - removable ear plugs

RACE 8..PALIS SON - without open bridle and with block eye blinkers

RACE 8..ENTER WARRIOR - wind sucking pad

RACE 1: PARADISE MOTORS FOUR YEAR OLD STAKES

VOTE NO (Brett Patrick) which had drawn the pole, was slow to muster speed at the start and, in the middle stage of the event, the gelding accidentally substained a punctured nearside sulky tyre. Also, in the latter stages of the event, the gelding was held up for a clear run. SIR LANCERLOT (John Justice) was obliged to race wide early in the event until the horse was restrained back in the field. In the run home, the eventual winner EMPIRE GINGER (Alan Smith) had a tendency to shift out on the track for which a warning was issued. SIR LANCERLOT (John Justice) and LOMINGO (Bronte Giorgio) were both held up for clear runs over the latter stages of the event. In the run home whilst under pressure, NEW MURDOCK (Michael Dodd) had a tendency to shift in.

RACE 2: 1990 GREAT STATE INTER DOMINION HEAT 1

During the score up, RIVERLEA JACK (Brian Gath) which is drawn wide in mobile events, behaved intractably and, as a result, the horse was out of position at dispatch. A further warning was issued against the horse's barrier behaviour and RIVERLEA JACK shall continue to be drawn wide in mobile events. Also, RIVERLEA JACK was held up for a clear run at a vital stage of the final lap. As the start was effected, BOLD SHARVID (James Stormont) which was drawn wide on the front line, galloped losing valuable ground. When questioned, driver James Stormont tendered that his horse usually had a good record in mobile events and he felt that the horse had shied at an object on the track. After considering their own observations and viewing the video, the stewards placed a warning on the unsatisfactory barrier behaviour of BOLD SHARVID and, for the immediate future, the horse shall be drawn wide. The connections of BOLD SHARVID also approached the stewards in respect to the decision in excluding BOLD SHARVID from the barrier draw and, it was explained to the connections that this was the usual policy with regards to horses which gallop either during the score up or at dispatch. In the run home ROWLEYALLA (Keven Rivett) hung in under pressure. ROCKLEIGH VICTORY (Vin Knight) was held up for a clear run at a vital stage of the final lap. The stewards directed that routine swabs be taken from the winner THORATE (trainer B.P. Hancock) and also, the second-place getter ROCKLEIGH VICTORY (trainer R.V. Knight). The stewards adjourned an enquiry into the manner in which driver Greg Harper (SCREAMING EAGLE) used his whip over the concluding stages of the event.

RACE 3: SOUTH AUSTRALIAN TROTTERS CHAMPIONSHIP HEAT 1

MOTATOE (Barry Nolan) was out of position approaching the start for which a warning was issued. Shortly after dispatch, THE BLAST (Rick Frearsen) galloped losing valuable ground and caused inconvenience to LORD ALIAS (Brain Gath). A warning was issued against the unsatisfactory behaviour of THE BLAST and, for the immediate future, the gelding shall be drawn wide. SIMPLY SIMONE (Gary McMillan) which was drawn on the second line, galloped partway through the score up and, as a result, the mare was out of position at dispatch. A warning was issued against the mare's overall disappointing performance. In the back straight on the final occasion, WESTHAM (Les Harding) galloped without interference losing valuable ground and caused some inconvenience to LORD ALIAS (Brian Gath). A warning was issued against the unsatisfactory race behaviour of WESTHAM.

RACE 4: 1990 GREAT STATE INTER DOMINION HEAT 2

ALMETA BOY (Vin Knight) which is drawn wide in mobile events, galloped partway through the score up and, as a result, the horse was well out of position when the start was effected. A further warning was issued against the horse's unsatisfactory barrier behaviour and ALMETA BOY shall continue to be drawn wide in mobile events. In the final lap KYLIE'S HERO (Maurice McKendry) was momentarily held up for a clear run. The stewards directed that routine swabs be taken from the winner WHITBY TIMER (trainer R.J. Chambers) and the second-place getter WEONA CHIEF (trainer B.P. Hancock).

RACE 5: FOUNDATION S.A. PACING DERBY

After the start, GALARION (Noel Shinn) hung in despite the efforts of it's driver and, as a result, the gelding was unable to be driven forward. Throughout the event, GALARION hung in and, at various stages, raced roughly and the stewards issued a further warning against the unsatisfactory race behaviour of GALARION. In the final lap ZULU LOU (Mark Webster) gave ground to ultimately finish well back. On the turn out of the home straight after the bell when PAPPY MCCOY (Ross Sugars) was being eased away from the rails, this resulted in inconvenience to ADMIRAL HOLLIDAY (Bryan Rogers). On the entrance to the back straight on the final occasion, PAPPY MCCOY was held up for a clear run. The stewards directed that a routine swab be taken from the winner MY ULTRASOUND (trainer K.J. Thomas).
