Points System (Pacers and Trotters)

Points shall be awarded to each horse actually starting and finishing a race of a Qualifying Heat on the basis that the winner will receive in points the equivalent of the maximum number of horses competing in each race of the Qualifying Heats. The second horse in that race of the Qualifying Heats will receive the next lower number in points; the third horse will receive the next lower number with each horse finishing thereafter receiving in order one lower number in points than the preceding horse until the last horse finishing will receive one (1) point.

The WINNER of each race of a Qualifying Heat will receive FOUR (4) BONUS POINTS to be added to the points already earned for that race. The SECOND horse of each race of a Qualifying Heat will receive TWO (2) BONUS POINTS to be added to the points already earned for that race. The THIRD horse of each race of a Qualifying Heat will receive ONE (1) BONUS POINT to be added to the points already earned for that race. Points will not be allocated for fastest time or for any other reason. A horse which is scratched from a race of the Qualifying Heats or a horse which does not complete the race, will not be allocated any points in that race unless otherwise determined by the Stewards of the Meeting. In the event of a scratching, or a horse not completing the course, points will be allocated as before with the winner and other horses finishing the race entitled to receive their maximum number of points as if a full field has competed and finished the course.

In the event of a DEAD - HEAT all points of the horses dead-heating shall be added together and divided equally.

The Club is aware that owners have been asking about an area where, at Globe Derby Park, they can have their photograph taken with their winning horse.

The Club advises that owners wishing to have a photo taken with their winning horse should be at the track, near the winning post/presentation area, immediately after the conclusion of their particular race.

The photographer will remain in that area for a short time after each race for this purpose.

If Owners are not there at that time the horse will leave the track so that the track can be prepared for the next race and the driver can prepare for any other commitments for the day.

STEWARDS: D. JONES (CHAIRMAN), D. SOUTHGATE, G. FREELAND, W. SHAW, M. VAN-KEMPEN (TRAINEE), B. O'TOOLE (TRAINEE), S. MATHIESON, R. FOUREUR (STARTER), G. HEAVEN (BETTING)

RACE 1: SENSATIONAL ADELAIDE FILLIES & MARES CONDITIONED PACE

SHADY LADY (Merv Rodda) hung inwards in the back straight on the last occasion inconveniencing ANNATHAI (Gary Ridings). Ross Sugars (WHAT A DREAM) experienced difficulty in obtaining a clear run at vital stages of the event. BRILLIANT BLEND (Wayne Twigg) and TOFFEE MISS (Shane Osborn) tired over the concluding stages of the event.

RACE 2: SMOKE-FREE INTER DOMINION PACERS CHAMPIONSHIP HEAT 4

OUR SIR VANCELOT (Brian Hancock) was obliged to race three wide for the first 600 metres of the event. Racing into the front straight after the completion of one lap Danny Norris (HUSHED WORLD NZ) who had been racing in the one wide position midfield moved HUSHED WORLD NZ to a three wide position to go forward and challenge OUR BUDDY (Ted Demmler) for the lead of the one out line. Demmler (OUR BUDDY) resisted the forward push of HUSHED WORLD NZ and Danny Norris has attempted to restrain HUSHED WORLD NZ and regain his position in the one wide line on the back of OUR BUDDY (Ted Demmler) however at that time the position had been filled by another runner making ground forward. Norris (HUSHED WORLD NZ) has then been obliged to check away from his downward movement to a true three wide line and as a result Michael Langdon (THE SULEIMAN NZ) who had also commenced a three wide run forward and was on the back of HUSHED WORLD NZ was obliged to steady THE SULEIMAN NZ and momentarily shift ground wider on the track as Danny Norris has then restrained HUSHED WORLD NZ towards the rear of the field. At a subsequent inquiry in this incident after considering evidence from drivers Langdon and Norris, acting on their own observations it was determined that Norris had attempted to make a forward move three wide to take the lead of the one out line from OUR BUDDY (Ted Demmler). This manoeuvre was aborted when Demmler had uptempoed with OUR BUDDY to hold the run of HUSHED WORLD NZ and Norris has then attempted to regain his position in the one wide line however was unable to do so and was obliged to check his downward movement back outwards to the three wide line and also at the same time restrained and this has momentarily inconvenienced THE SULEIMAN NZ. Michael Langdon (THE SULEIMAN NZ) advised that he was aware of the incident and felt that he was not unduly inconvenienced at any stage. After giving all matters consideration, the stewards deemed it to be a race incident however reminded Norris of his responsibilities. Ted Demmler (OUR BUDDY) was questioned regarding the driving tactics he adopted on OUR BUDDY in tonight's event. It was the stewards' observations that OUR BUDDY had been driven forward at the start of the event to lead the one out line. Initially shortly after the start was effected Brian Hancock (OUR SIR VANCELOT NZ) has driven forward in a three wide line to challenge OUR BUDDY initially for the lead of the one out line. Demmler (OUR BUDDY) has resisted the challenge of OUR SIR VANCELOT NZ for some considerable distance and Hancock has been obliged to drive OUR SIR VANCELOT NZ vigorously to cross OUR BUDDY then go on to cross the then leader RAINBOW KNIGHT (Lisa Justice) for the lead of the event. Racing in the front straight after one lap OUR BUDDY was then challenged by HUSHED WORLD NZ (Danny Norris). Ted Demmler (OUR BUDDY) has uptempoed and resisted the forward thrust of HUSHED WORLD NZ to continue to maintain the lead of the one out line. Racing in the back straight on the second occasion Graeme Lang (DESPERATE COMMENT NZ) has made a surging three wide run forward. Ted Demmler (OUR BUDDY) has then been obliged to allow DESPERATE COMMENT NZ to go forward, cross and lead the one out line. Over the concluding stages of the event OUR BUDDY tired badly. The stewards were concerned at the tactics adopted by Demmler in particular his early endeavours to hold out more fancied runners to lead the one out line. Demmler advised that OUR BUDDY had performed in previous events when leading the one out line and he had no hesitation in maintaining that position. Demmler was of the opinion that OUR BUDDY would be best served by maintaining that forward position and further that in his opinion the performance of OUR BUDDY tonight was very disappointing. The stewards ordered a veterinary examination of OUR BUDDY and the club's veterinarian reported he could find nothing amiss. When further questioned on the matter Demmler advised that his three stable runners for the night had performed in his opinion below par. After considering all the evidence tendered by Demmler, acting on their own observations and viewing the official videos, the stewards advised Demmler that they would note the tactics adopted on OUR BUDDY, his explanation for those tactics and that in his opinion OUR BUDDY had been disappointed. Demmler advised that he would monitor the progress of this gelding over the next two days. The stewards advised Demmler that he is required to report any abnormalities to the stewards as soon as they become apparent.

RACE 3: SA TAB INTER DOMINION TROTTERS CHAMPIONSHIP HEAT 1

GEE AY (Ted Demmler) broke gait shortly after the start was effected and galloped for some distance tailing the field throughout. SATIN FROST (Phillip Lambert) was checked by the galloping GEE AY and broke gait and galloped losing considerable ground to tail the field throughout. FICKLE FRIEND (Brian Hancock) was obliged to race three wide for the first 600 and HOLDONMYHEART USA (C Barron) for the first 800 metres of the event. C Barron was questioned regarding the racing manners of HOLDONMYHEART USA in tonight's event. It was the stewards' observation that HOLDONMYHEART USA showed a tendency to shift ground outward when leading and in the front straight in the run to the finish HOLDONMYHEART USA has shifted ground sharply under pressure. Barron advised that there had been some training difficulties with this horse as it was experiencing problems handling the New Zealand and Australian style of racing (close quarter racing) and also the smaller tracks however it had improved with every run and he expected further improvements to be made during the course of the championships. After giving all matters consideration, Barron was advised that the stewards would expect that if possible gear changes be made to correct the habit of HOLDONMYHEART USA shifting ground and also that a warning was issued in respect to its racing manners. JENATRICK (Ginger Gleeson) tired over the concluding stages of the event.

RACE 4: SMOKE-FREE INTER DOMINION PACERS CHAMPIONSHIP HEAT 5

TABARET NZ (Fred Kersley) broke gait in the score up galloping losing considerable ground. Subsequent to the running of the event the connections of TABARET NZ were advised that this pacer would be drawn wide in future mobile events. Racing out of the front straight on the first occasion NORMS DAUGHTER (Chris Lewis) broke gait and galloped shifting up the track and as a result RYANS DAY NZ (Ahmed Tabba) was severely inconvenienced and checked. Subsequent to the running of the event the stewards ordered a veterinary examination of NORMS DAUGHTER and the club's veterinarian reported this mare to be sore to the nearfore tendon. It was further reported that NORMS DAUGHTER would undergo a searching scan of the injured tendon am hours on Thursday 6/3/97. The stewards questioned trainer N.J. Lloyd in regards to this injury and he advised that he wished NORMS DAUGHTER to be withdrawn from the championships and acting on the advice of the club's veterinarian the connections were advised that this pacer would be stood down until a veterinary certificate of soundness was presented. Subsequent to the running of the event the connections of YOUNG MISTER CHARLES NZ requested a veterinary examination of that pacer and the club's veterinarian reported the examination revealed some coarseness to the lungs of YOUNG MISTER CHARLES NZ however he could not confirm that the horse was in the early stages of a viral infection. The stewards questioned trainer G.W. Hancock in regards to this veterinary report and he

advised it was his intentions to have the horse fully vetted in the am hours of 6/3/97 and also to have blood taken. Hancock advised that the results of all tests would be available am hours on 7/3/97. The stewards directed Hancock to advise them immediately of the results of those examinations. PERELINI NZ (Paul Cavallaro) was obliged to race three wide for the first 600 metres of the event. TRIST USA (R Thurlow) raced fiercely in the early stages of the event. Brian Hancock (ELITE RENAI) was reprimanded for the manner in which he shifted ground outwards racing into the front straight on the final occasion. A repetition of similar driving may result in action being taken against his reinspersons licence.

RACE 5: SA TAB INTER DOMINION TROTTERS CHAMPIONSHIP HEAT 2

KNIGHT PISTOL (Kerryn Manning) broke badly for which a warning was issued. ALIAS BEAU NZ (Mark Webster) broke gait racing off the apex of the bend towards the front straight on the first occasion resulting in VALDENITE GETPLENTY (Max Wishart) and NEVADAS MAORI (Matthew Jacques) being checked and, WIZ NZ (Ted Demmler) being severely checked and breaking gait. The connections of ALIAS BEAU NZ were advised that a warning would be issued. Following the running of the event the club's veterinarian reported that he had inspected INDA BANK NZ (Barry Purdon) at the request of the trainer and that this mare had suffered a minor laceration to a leg and at this stage no further action was required.

RACE 6: SMOKE-FREE INTER DOMINION PACERS CHAMPIONSHIP HEAT 1

Racing out of the front straight towards the apex of the bend on the first occasion after the start ISLAND GLOW USA (Peter Tritton) which appeared to have been racing towards the one wide line appeared to contact the cart of NO EQUAL NZ (Craig Demmler) and race roughly for a short distance. At a subsequent inquiry after taking evidence from Craig Demmler (NO EQUAL NZ) and Peter Tritton (ISLAND GLOW USA), the stewards determined that as the horses raced out of the front straight Craig Demmler (NO EQUAL NZ) had been caught in a three wide position and was restraining seeking a position in the one wide line. Peter Tritton (ISLAND GLOW USA) had been racing in the one wide line following WHAT A MUCK UP (Scott Ford) — there was no runner racing on the rails on the inside of WHAT A MUCK UP and Tritton had opted to move ISLAND GLOW from the one wide line to the vacant rails position. At the same time Scott Ford has moved WHAT A MUCK UP from the one wide position to the vacant rails position. Tritton has then corrected the downward movement of ISLAND GLOW USA to shift back towards a true position in the one wide line at the same time as Craig Demmler (NO EQUAL NZ) was restraining and shifted in marginally towards the one wide line however the incident appeared to have occurred with ISLAND GLOW USA shifting ground outwards sharply wider on the track actually moving up into and making contact with the cart of NO EQUAL NZ from behind. After considering all evidence, acting on their own observations and viewing the official videos, the stewards noted it was a race incident and took no further action in the matter. It was noted that ISLAND GLOW USA (Peter Tritton) had a tendency to race fiercely in the early stages of the event. Racing in the front straight after the completion of one lap when racing on the rails ISLAND GLOW USA despite the efforts of its driver has come forward and contacted the sulky of RIFLEMAN (Darren Hancock) racing on its immediate front. The connections of ISLAND GLOW USA were advised that this pacer would be reincluded in the draw for mobile events. Racing off the apex of the bend towards the front straight on the final occasion MANAVILLE (Michael Hunt) which had been racing in a one wide position between SURPRISE PACKAGE NZ (Barry Purdon) on the rail and RIFLEMAN (Darren Hancock) in a three wide position appeared to be tightened, checked and raced roughly. At a subsequent inquiry after taking evidence from drivers Purdon, Hunt and Hancock, acting on their own observations and viewing the official videos, it was determined that as the horses raced into the front straight Purdon (SURPRISE PACKAGE NZ) has shifted that pacer outwards from the rails position towards the one wide line attempting to avoid the tiring leader LUCKY CAMILLA (Max Wishart). In so doing MANAVILLE (Michael Hunt) was then tightened and shifted up the track making contact with the cart of RIFLEMAN racing on its immediate outside obliging Hunt to check MANAVILLE and that horse raced roughly losing ground sharply at that point. NO EQUAL NZ (Craig Demmler) which had been trailing MANAVILLE was severely checked, broke gait and galloped. After considering evidence from Purdon, Hunt and Hancock, acting on their own observations and viewing the official videos, Barry Purdon pleaded guilty to a charge under Rule 381 for carelessness in crossing when not sufficiently clear causing interference. After considering a plea on penalty Purdon's reinspersons licence was suspended for 10 days. The stewards ordered the penalty to commence at midnight on 15/3/97. Following the running of the event trainer M. Hunt requested a veterinary examination of MANAVILLE. The club's veterinarian reported this gelding had suffered a major laceration to the off-fore leg and it was his opinion that it would require further examination of this injury. Trainer Hunt advised that it was his intentions to have a further routine veterinary examination of this injury am hours 6/3/97. The stewards directed Hunt to immediately advise them of the outcome. It was noted LUCKY CAMILLA (Max Wishart) which had led the event throughout tired badly over the concluding stages. Craig Demmler (NO EQUAL NZ) experienced difficulty in obtaining a clear run racing towards the front straight on the final occasion and shortly thereafter NO EQUAL NZ met with a severe check causing this horse to break gait and gallop.

RACE 7: GLOBE DERBY PARK COMBINED PACE

Racing into the front straight on the final occasion BOLD STEFAN (Darren Hancock) which had been leading broke gait and galloped shifting up the track sharply and as a result ROSCO ROBUST (Greg Norman) racing on its immediate outside was severely checked. The carts of BOLD STEFAN and ROSCO ROBUST had become locked for a short distance. Subsequent to the running of the event the stewards questioned drivers Hancock and Norman in regards to this incident. Hancock advised that BOLD STEFAN appeared to falter and break gait for no apparent reason however subsequent to the running of the event it was noted that BOLD STEFAN had completed the event with one knee boot down. Hancock further advised that BOLD STEFAN had hung inwards just prior to breaking gait and galloping. After giving all matters consideration, acting on their own observations and viewing the official videos, Hancock was advised that a warning would be placed on the racing manners of BOLD STEFAN.

RACE 8: LIVING HEALTH COMBINED PACE

FRANCO'S JOY NZ (Vincent Aurora) which is out of the draw for mobile events hung inwards in the score up and was out of position at the start. The connections of FRANCO'S JOY NZ were advised that this pacer would continue to be drawn wide in future mobile events. Racing out of the front straight towards the apex of the bend on the first occasion after the start RAM RAIDER (Clinton Fuller) which had been leading the one out line appeared to be tightened and contacted as Brett Patrick (HELLBALOOD) has driven that pacer forward and across RAM RAIDER to lead the one out line. At a subsequent inquiry after taking evidence from drivers Fuller and Patrick, acting on their own observations and viewing the official videos, the stewards charged and found Brett Patrick guilty of an offence of carelessness in crossing under Rule 381 and after considering a plea on penalty and taking into account Patrick's previous driving record, Patrick was suspended for a period of 10 days. It was noted that LAZER GLOBE NZ (Scott Pascoe) which had led the event throughout raced greenly in the front straight on the final occasion. Greg Rogers (LEANNE) was badly held up and unable to obtain a clear run. KARAMEA KNOW HOW (Mark Billinger) which had led the one out line throughout tired badly over the concluding stages. Subsequent to the running of the event the stewards ordered a veterinary examination and the club's veterinarian KARAMEA KNOW HOW had appeared to have pulled up poorly and its recovery was slow. It was his recommendation that KARAMEA KNOW HOW be stood down from racing for a period of 14 days. Trainer V.K. Billinger advised that it was his intentions to send this mare for an immediate spell. The stewards noted the undertaking of Billinger but advised him that they would impose the recommendation of the club's veterinarian that KARAMEA KNOW HOW be stood down from racing for a period of 14 days.
