## HOW TO PLACE YOUR BET WITH THE TOTALIZATOR

There are Totalizator Operators located in all areas of Harold Park and can be easily identified by clearly marked signage. After choosing the venue where you wish to bet, the type of bet you require and amount to be invested, simply advise the Tote Operator of this choice, along with your selection(s).

## HOW TO PLACE YOUR BET WITH THE BOOKMAKERS

The Bookmakers are located in a central position at Harold Park adjacent to the escalators and stabling area. After making your selection of horse, advise the Bookmaker if you wish to invest your money to Win or Each-Way. There is also a Bookmaker located in the Miracle Mile Restaurant.

*Note: Always check your tickets before leaving the Tote Operator or the Bookmaker.*

BET TYPE	ACTION	MINIMUM COST
WIN PLACE	The horse you select must finish first.	50c
	Your horse must finish 1st, 2nd or 3rd when there are 8 or more runners	
EACH WAY	or 1st or 2nd when there are 7 runners or less (conditions apply)	50c
	This is the same as having a win bet AND a place bet on the same horse. Example, 50c each way on horse number 1 means you collect if horse 1 runs 1st, 2nd or 3rd. The minimum bet of 50c each way will cost you \$1.00.	\$1.00
QUINELLA	Two horses are selected and they must finish 1st and 2nd in any order.	50c
EXACTA	This is similar to a quinella in that two horses are selected, however, the horses must finish in the EXACT order as your ticket shows, e.g, if you take an exacta bet horses 9 and 10, the 9 must finish 1st and 10 must finish 2nd. An exacta 10 and 9 means that horse 10 must finish first and horse 9 must finish 2nd.	50c
TRIFECTA	Three horses are selected and they must finish 1st, 2nd and 3rd in the order selected. Example: If horses 3, 9 and 7 are selected, then horse 3 must win, the horse 9 running 2nd, and horse 7 running 3rd.	50c

BOX TRIFECTA	Three horses are selected as with a Trifecta, however, for a minimum outlay of \$6.00 the three horses selected can finish 1st, 2nd and 3rd in any order for you to win.	\$6.00
SUPERFECTA	Similar to a trifecta, however 6 horses are selected and they must finish in the first 6 places and in the correct order shown on your ticket.	50c
BOX SUPERFECTA	As with a BOX TRIFECTA, this type of combination may be applied to a SUPERFECTA.	
DOUBLE	Certain races are shown in the racebook as 1st leg of daily double, 2nd leg of daily double or 1st leg of extra double, 2nd leg of extra double. On these races you can select 2 horses (one in each leg of the double).  Example: If you select horse 2 and 3 in the daily double then horse 2 must win the 1st leg and horse 3 must win the 2nd leg.	50c
MYSTERY BET	If you are feeling lucky, then you can select a mystery bet and let the computer choose the number or combination of numbers for you. Mystery betting is available on win, place, quinella, exacta, trifecta, superfecta and doubles.	depends on what bet taken
PAK BET	A Pak bet is a recent addition and is simply a combination of Each Way, Quinella and Trifecta Betting. It is available to you whenever you feel adventurous.	\$7.50
	<b>A minimum of 3 runners are selected and you are provided with one ticket which gives you "each way" on the 3 runners as well as Quinellas and Trifectas on the same 3 runners.</b>	

Other options available to you when you feel you have mastered the above include MULTIPLE BETS, BOX BETS AND STANDOUT BETS.

### Information for Totalisator Investors

If the ticket is mutilated or defaced an order for payment by the Stewards may be required "Every investor should satisfy himself before leaving the window that he has received the ticket for which he applied, or the correct amount of dividend or refunding payable to him, as the case may be. No claim in respect of the issue of a ticket or in respect of short payment of a dividend or refund will be entertained after the investor has left the window."

**DO NOT DESTROY your tickets until ALL-CLEAR has been declared.**

## LEAD TIME

The Lead Time is the time it takes for the horse to travel from the start of the race to the beginning of the last mile. When it comes to the finish of the race, if it was a slow Lead Time the horses at the front may be advantaged, however, if it was a fast Lead Time, horses from the rear of the field may be at an advantage as they did not contest the early speed in the race.

A fast Lead Time for Harold Park for a 2160m event is 39 seconds or better whilst a slow Lead Time is 41 seconds or slower. For a 1760m race, a fast Lead Time at Harold Park would be 9.7 seconds or better, whilst a slow Lead Time is 9.9 seconds or slower.

## SECTIONAL TIME

There are four (4) Sectional Times in every race which are made up of the four quarters of the last 1609m. An exceptional set of sectionals are all below 30 seconds, however, an acceptable set of sectionals would read - 30.5, 31.0, 29.5, 29.5 equalling the last mile in 2:00.5.

## OVERALL TIME

This is the time taken to complete the distance of the race. A time below 2:00 is acceptable for a 1609m race, whilst below 2:11 is acceptable for 1760m and below 2:41 for a 2160m event.

## MILE RATE

This is a calculation applied to all distances so as to give a comparison to a mile.

### WARMING UP OF HORSES

Trainers warm-up their horses on occasions prior to the actual race in which the horse is engaged and so as to assist patrons each Horse will carry a head number which represents the race it is contesting and Trainers must display the horse's particular race number when warming up.

Therefore, if you see a horse warming up with a **GREEN** saddlecloth, carrying head number 6 the horse will be **No 4 in Race 6**.

### CLUB COLOURS

The club colours are required when a trainer has two horses engaged in a race making it necessary to distinguish between these horses.

The club colours are sponsored by TAB and are:

**Green and White Halves + TAB Logo**  
**White and Green Halves + TAB Logo**
