HOW TO BET

On course investors do not need to mark meeting details

WIN – Select a runner to finish first.

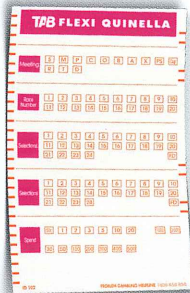

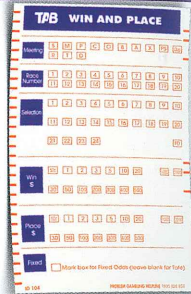

PLACE – Select a runner to finish first, second OR third. Your selection may finish in any of these positions.

MARKING YOUR TICKET

- Mark the race number you would like to bet on.
- Make your selection(s) by

marking the horse number you wish to bet on.

- Now choose your spend amount. For a Win bet, mark only the Win bet value column. For a Place, mark only the Place bet value column. Each Way bets need both bet value columns to be marked.

FLEXI QUINELLA – Pick two runners to finish first and second.

MARKING YOUR TICKET

- Mark the race number you would like to bet on.
- Mark the horse numbers you wish to bet on. For a Single Quinella, select two or more runners you think will finish

first and second in any order. Mark your selections in the first box. For All Ways bets, mark more than two selections in the first selection box only. To win, one of your selections must win and another must come second.

- Now choose your spend amount.

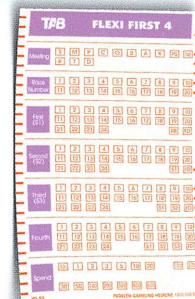

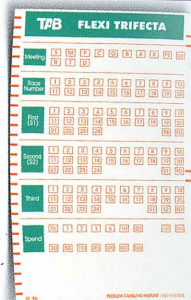

FLEXI TRIFECTA – Pick the first 3 finishers.

MARKING YOUR TICKET

- Mark the race number you would like to bet on.
- Mark your selection(s) in the First, Second and Third boxes in the EXACT order you think they will finish OR mark all of your

selections in the First selections box only, which means your selections can fill the first three placings in ANY order.

- Now choose your spend amount. Your bet will automatically be placed as a Flexi bet, meaning that whatever you mark will be the total cost of the bet.

FLEXI FIRST 4 – Pick the winner and the next three horses over the line.

MARKING YOUR TICKET

- Mark the race number you would like to bet on.
- Mark your selection(s) in the First, Second, Third and Fourth boxes in the EXACT order you think they will finish OR mark

all of your selections in the First selections box only, which means your selections can fill the first 4 placings in ANY order.

- Now choose your spend amount. Your bet will automatically be placed as a Flexi bet, meaning that whatever you mark will be the total cost of the bet.
